RE: Proceeding 1-149

Dear Mr. Wheeler:

We are writing in support of the proposed merger between Charter Communications, Time Warner Cable and Bright House Networks. The importance of fast, reliable broadband connections for homeowners, students and business customers within our jurisdiction has been an ongoing issue for many years. We are in favor the New Charter's commitment to expansion of it's network to more homes and businesses, to creating more out-of-home access to Wi-Fi, and to broadband to low income customers. We feel this merger could benefit Negaunee Township by making broadband service available and more affordable to our residents.

Sincerely,

William W Carlson, Supervisor
